Which section scored the highest? Circle your dominant pattern:

Resentment	Communication	Emotional Safety	Self-Abandonment	Connection
------------	---------------	------------------	------------------	------------

WHAT YOUR PATTERN MAY BE SAYING

- ♦ **If Resentment Is Highest** You may be carrying old emotional wounds that have never been fully processed or released.
- ♦ **If Communication Is Highest** The issue may not be the conversation itself. The issue may be the meaning attached to the conversation.
- ♦ **If Emotional Safety Is Highest** You may no longer feel fully seen, understood, or accepted.
- ♦ **If Self-Abandonment Is Highest** You may have spent so much time taking care of everyone else that you've forgotten yourself.
- ♦ **If Connection Is Lowest** The relationship may not need fixing. It may need reconnection.

THE RELATIONSHIP CLARITY DECLARATION™

Today I choose awareness over blame.

Curiosity over assumptions.

Growth over helplessness.

I acknowledge that my relationship is not broken.

*There may simply be patterns operating beneath the surface
that I have not yet seen.*

I commit to becoming more conscious.

I commit to becoming more aware.

I commit to creating change from the inside out.

*Because one conscious woman can begin
transforming an entire relationship.*

And that woman is me.
